Applicants should read the Plan Specific Terms & Conditions and the General Terms & Conditions (together the Full Terms & Conditions) for the Guaranteed Capital Plus Account 25 carefully prior to investing in the Plan. Copies of the Brochure are available from your nearest branch.

The Guarantee is the contractual obligation of Credit Suisse International to repay the capital invested in the deposit in full at maturity. Should Credit Suisse International default, there is no guarantee provided by any third party.

Please note that the Plan is intended to be held until the Plan Maturity Date. Early encashment of the Plan will result in an Early Exit Fee (including in the event of death) and so you will get back less than you initially invested. The levels and basis of taxation and reliefs from taxation can change at any time. The value of any reliefs will depend on your individual circumstances.
