2. Opening an Account

You can open an Account by phone or by post or in one of our branches. Some of our accounts can be opened online, for further details please visit cambridgebs.co.uk

In most cases we no longer use paper application forms in our progress to become a paperless building society. In these cases:

- a) we may require your signature and supporting documentation where applicable; and
- b) we will require a deposit to open the account (for postal applications, please do not send cash)

The supporting documentation you'll need to provide can be found in the Verifying your identity, within the 'Setting up a Savings Account' guide on our website.

The Account is with The Cambridge Building Society. The Cambridge Building Society's main business is the provision of savings products and mortgages.

3. Verifying your identity

When you open an Account with us, under regulations for prevention and detection of financial crime, we need to verify your name and address. We use an electronic verification system to do this. For business accounts, we will also need to verify an organisation's identity.

In certain cases we will need further proof of identity in order to open an Account. To find out which forms of identification are suitable see the 'Verifying Your Identity' guide (within the 'Setting up a Savings Account' guide) on our website, ask in branch or telephone our Customer Contact Centre. All Account Holders must have their name and address verified.

When you've opened an Account, for some requests made at one of our branches we may be able to verify your identity using a photograph you have previously supplied to us.

4. Terms and conditions

The general Terms and Conditions that apply to all our savings Accounts are set out on the following pages. Special Conditions may apply to particular types of Account, you will find them in a separate document. The general Terms and Conditions (referred to as the 'Conditions'), together with the Special Conditions, details of the interest rate(s) applicable to your Account and details of the charges payable in respect of use of the Account together form your 'Agreement' with us for the Account.

You have a right to obtain a copy of the Agreement relating to the Account at any time while it is open.

5. Privacy Policy

We want to make sure you're in the know about how we at The Cambridge use your information and how we treat your data.

Our Privacy Policy is available on our website at cambridgebs.co.uk/privacy-policy. Alternatively you can call the team on 0345 601 4021 or pop into a branch to obtain a copy.

6. Complaints

We are committed to providing you with first class customer service. There may be occasions when you feel you have cause for complaint. If so, please tell us about it straight away – and we will do all we can to put things right.

We will investigate your complaint thoroughly and aim to resolve it as quickly and amicably as possible. To do this, we need to understand the problem. So please help us to help you and follow our Complaints Procedure below.

Complaints procedure

6.1. Getting in touch

Contact a member of staff at your local branch, or at our Head Office. You can do this in person, by telephone, in writing or if you prefer, you can email your complaint to complaints@cambridgebs.co.uk. A member of staff will be pleased to assist you. If, however, our staff member is unable to resolve the matter to your satisfaction, he or she will confirm in writing within three Working Days that your complaint has been referred to a Manager for investigation and indicate how long it will take to confirm the outcome.

6.2. The Manager's decision

The Manager will investigate the circumstances of your complaint. If it is going to take longer to resolve the matter than we first indicated, the Manager will provide you with a progress report. Once the complaint has been fully investigated, the Manager will write to you with a final response to confirm the outcome of their investigations. This will be no later than eight weeks after you raised your complaint. Their letter will confirm whether The Cambridge Building Society upholds or rejects your complaint. Where we reject your complaint, we will advise you of our reasons for doing so.

If the complaint relates to payment services, we have 15 business days to resolve these complaints, should something outside our control cause delay the Financial Conduct Authority (FCA) gives us a maximum of 35 days. For all other complaints the FCA gives us up to 56 days, although we aim to resolve the majority more quickly than this.

6.3. If you are still dissatisfied

We are committed to resolving complaints whenever possible through our internal complaints procedure. If, after receiving the Manager's detailed response, you are not satisfied that we have resolved your complaint, you can take your dispute to the Financial Ombudsman Service. If you are an individual holding a personal savings account you must do this within six months from the date of the final response issued by us.

If you hold a business, council or community account you may be able to take your complaint to the Financial Ombudsman Service. Please contact them for more information.

The Ombudsman is an independent adjudicator who can investigate and make a decision about outstanding disputes.

10.1. Subject to the Special Conditions, we may change interest rates as set out below.

10.2. Changes may include the introduction or alteration of 'tiers' under which:

- a) interest is not paid where the amount in the Account is below a certain level; and/or
- b) different rates apply depending on the amount in the Account.

10.3. We will not change the rate of a fixed rate Account during the fixed rate period.

Changes to interest rates on Accounts which are not tracker Accounts

10.4. We may change the interest rates on Accounts which are not tracker Accounts at any time if we reasonably believe that the change is needed for any of the following reasons (which may relate to circumstances existing at the time or those that are reasonably expected to apply in the near future):

- a) to reflect changes in general interest rates, including the interest rates or terms on which similar accounts are offered by other providers of financial services;
- b) to reflect any changes or anticipated changes in the law, regulations or codes of practice or to respond to a decision by a court, ombudsman or regulator;
- c) to reflect changes to our costs, including administrative costs, costs involved in providing services or facilities or changes in the costs to us of borrowing funds;
- d) to maintain our financial strength for the benefit of our members.

When we make any such change, we will act reasonably and we will only make the change if we believe it is fair in the circumstances. Any change we make to interest rates will be proportionate to the circumstances which give rise to the change.

10.5. We may also change the interest rate on your Account for any valid reason (other than those set out in Condition 10.4) where we reasonably believe change is appropriate and fair in the circumstances, taking into account the interests of our business, the interests of our members as a whole, and your rights and interests as an Account Holder. When we make such a change we will tell you about it up to 14 days before we make the change by letter, email or other personal notice. You will have a period of 30 days from the date of the notification during which you may close or switch your Account without having to give any period of notice or having to lose any interest or pay additional charges.

- 10.6. Where the change is an increase in the interest rate we will tell you about it:
- by placing notices in our branches, on our website and in two local newspapers within three Working Days of the change; or
 - within 30 days of the change, by letter, email or other personal notice.
- 10.7. Where the change is a reduction in the interest rate, we will tell you about it up to 14 days before we make the change by letter, email or other personal notice. This does not apply:
- to interest rate tiers applicable to balances below the minimum operating balance for the Account (provided we have clearly told you about the minimum balance requirements);
 - if the change is not material.
- 10.8. For the purposes of Condition 10.7 a change is 'material' if your Account has a balance of £100 or more at the time the notice is provided.
- 10.9. Where the reduction is not material, we will tell you about it in one of the ways mentioned in Condition 10.7.
- 10.10. If we notify you of a material reduction in the interest rate, then the notification will be provided up to 14 days before the rate change. You will have a period of 30 days from the date of the notification during which you may close or switch your Account without having to give any period of notice or having to lose any interest or pay additional charges.

Changes to interest rates on tracker Accounts

- 10.11. Where your Account is a tracker Account, the interest rate will increase or decrease in line with any increase or decrease in the rate which is being tracked. We will tell you about the change within 30 days by general notice in our branches and on our website.

11. Account charges

- 11.1. We do not currently make any charges relating to the day-to-day running of an Account; however, we may make charges for items relating to the Account.
- 11.2. Where the charge does not relate to the day-to-day running of the Account we will tell you before we provide the product or service, or at any other time you ask.
- 11.3. Charges incurred will be debited from the Account. We will notify you before we do this.
- 11.4. We can change the charges we make at any time if we reasonably believe that the change is needed for any of the following reasons which may relate to circumstances existing at the time or those that are expected to apply in the near future:
- to respond to changes to our costs, including administrative costs;
 - to respond to changes in law or the decisions of a court or Ombudsman;
 - to meet regulatory requirements;
 - to respond to new or changes to statements or codes of practice or industry guidance designed to enhance consumer protection.
- When we make any such change, we will act reasonably and we will only make the change if we believe it is fair in the circumstances. Any change we make to charges will be proportionate to the circumstances which give rise to the change.
- 11.5. Changes may include the removal or alteration of existing charges or the introduction of new charges.

Changes to charges (other than charges relating to electronic payments or withdrawals)

- 11.6. If we introduce or increase a charge relating to the day-to-day running of the Account, we will give you at least 30 days' notice by letter, email or other personal notice, before the charge comes into effect. Where the charge does not relate to the day-to-day running of an Account, we will tell you about the change by general notice in our branches and on our website at least 30 days before the change takes effect.
- 11.7. If we make a change to the charges in accordance with Condition 11.6 you have the right to switch the Account or close it, without having to lose any interest, or pay any additional charges at any time up to the date the change comes into effect.

Changes to charges relating to electronic payments or withdrawals

- 11.8. Where we make a change to existing charges, or introduce new charges, in respect of electronic payments into or electronic withdrawals from your Account, we will give you at least two months' notice by letter, email or other personal notice before the change comes into effect. You have the right to switch the Account or close it, without having to lose any interest, or pay any additional charges at any time up to the date the change comes into effect. If you do not notify us that you object to the change before the date on which it comes into effect, you will be deemed to have accepted it. This Condition does not apply to changes to charges which relate to the use of cheques.
- 11.9. Please note that there may be other taxes or costs relating to the Account that are not paid through us or charged by us.

12. Cheque clearance

- 12.1. You may not withdraw funds against a cheque until the money has reached the Account (cleared).
- 12.2. Our normal practice is to allow withdrawals against a cheque four Working Days after it has been deposited, provided we have no reason to think that it has not cleared, or might not clear. The day of deposit of the cheque is the Working Day after it is paid in at a branch counter or the Working Day after we receive the cheque by post.
- 12.3. If you withdraw against a cheque in accordance with Condition 12.2 you cannot be certain that the money is yours until the end of the eighth Working Day after the cheque is paid in at the branch, or the end of the eighth Working Day after the cheque is received at The Cambridge's Head Office.
- 12.4. A cheque that has been returned unpaid after the sixth Working Day following the day of deposit will not be debited from the Account without your consent unless we reasonably believe that you are a knowing party to fraud.
- 12.5. If you make a withdrawal against a cheque that has not cleared, we will debit the Account for the amount of the unpaid cheque backdated to the day you paid it in and may apply a fee for this. If there is not enough money in the Account to cover the unpaid cheque, you will have to repay us the amount of the shortfall.

13. Security and unauthorised transactions

- 13.1. The care of an Account, statements and other security information is essential to help prevent fraud and protect the Account. You should check an Account online and/or via your passbook regularly and let us know of any entries that seem to be wrong. There is a dedicated telephone number for you to call us on: 0800 587 5295.
- 13.2. For your protection we may require proof of identity before allowing withdrawals from an Account.
- 13.3. If an Account has online access, you must:
- keep your Account login details secret and take all reasonable precautions to prevent unauthorised or fraudulent use of them;
 - follow any instructions which we may give from time to time in order to enhance security in relation to your Account;
 - not copy, or allow any third party to use or copy, any software provided by us without our consent; and
 - tell us as soon as you become aware of any failure, delay, malfunction, virus or error in the sending or receiving of instructions; and
 - immediately call us if you become aware that your Account login details may be known by someone else (please see the 'How to contact us' section of this booklet for details).
- 13.4. In respect of Accounts with online access, you should ensure that your computer or other device you use complies with the standard we tell you from time to time and carry out your own regular virus check and security updates.
- 13.5. If you use our online services outside the UK you do so at your own risk, as it may be against the law in that country.
- 13.6. If you become aware that a payment transaction on your Account has been carried out which is either unauthorised or has not been paid correctly you must tell us without delay by telephoning us (please see the 'How to contact us' section of this booklet for details).

- 13.7. If you notify us of an unauthorised payment transaction, we may investigate the circumstances if we have reason to suspect that you have been involved in fraudulent behaviour, or if your claim relates to a payment by cheque.
- 13.8. If we need to investigate, or if we have to take action against another party as a result of a transaction on your Account, you must assist us and the police (if we need to involve them) and provide all available information to us and them to pursue the action.
- 13.9. If we decide to investigate, we will inform you of this on the same Working Day on which your notification is received by us, or if the notification is received at end of the Working Day or on a non-Working Day, at the beginning of the next Working Day. If, once we have completed our investigations we determine that we do not have to give you a refund, we will inform you of this. Otherwise, we will refund the amount of the unauthorised payment to your Account and restore your Account to the state it would have been had the unauthorised withdrawal not taken place. This means we will also reimburse you for any interest and charges you have incurred as a result of the unauthorised withdrawal.
- 13.10. Subject to Conditions 13.11 to 13.17 where any loss resulting from an unauthorised withdrawal arises from the unauthorised use of an Account Document or any security information, you will be liable for up to a maximum of £35 of that loss.
- 13.11. You will be liable for all losses arising where you have acted fraudulently, and no limit will apply to your liability.
- 13.12. Where losses arise from an unauthorised transaction or transactions because you deliberately or with gross negligence failed to keep your Account Document or security details safe, your liability will not be limited to £35. You will be liable for all losses arising, except in the circumstances set out in Condition 13.13 'Gross negligence' means that something you have done or have not done is very obviously wrong or careless.
- 13.13. Except where you have acted fraudulently, you will not be liable for any losses arising:
- a) where the loss or theft was not detectable by you before the unauthorised withdrawal was made;
 - b) after you have notified us of any loss or unauthorised use of any Account Document or any security details;
 - c) where we have not provided you with a notification process for reporting the loss or theft of an Account Document or the compromise of any security details; or
 - d) where insufficient levels of security checks required by relevant laws or regulations, were made relating to the payment.
- 13.14. You will not be liable for any losses arising where the loss was caused by something we (including any employee of ours) did or failed to do.
- 13.15. Except where we suspect that you have been involved in fraudulent behaviour, or where your claim relates to a payment by cheque, we will refund the amount of the unauthorised payment to your Account and restore your Account to the state it would have been had the unauthorised withdrawal not taken place, as explained in Condition 13.9. Provided you have notified us as soon as possible but in any event within 13 months of the debit date, we will refund the withdrawal, plus any further reimbursement, no later than the next Working Day after you inform us of the unauthorised withdrawal.
- 13.16. Please note that we will not be obliged to investigate any unauthorised transaction under this Condition 13, or make any refund, unless you tell us within 13 months of the day on which the transaction is stated to have taken place.
- 13.17. If we make a refund and then discover that you did authorise the payment transaction or are otherwise liable, we may reverse the refund. We will notify you before we do this.
- 13.18. If we suspect or detect fraud or security threats in relation to your Account we will call you using the contact details we hold for you. We will not share any information with you until we have confirmed to our satisfaction that you are the account holder (or one of them).

14. Account Documents and access to an Account

- 14.1. We may issue you with a passbook, certificate or other similar document relating to your Account. If we do:
- a) the document will belong to us;
 - b) you agree to return it to us for updating, or for any other purpose we reasonably require;

- c) you agree to keep it safe, and to tell us in person at one of our branches or by contacting us (please see the 'How to contact us' section of this booklet for details) as soon as you discover it has been lost or stolen; and
 - d) the document must be produced to us before any withdrawal from the Account is made.
- 14.2. We may issue a replacement for lost or stolen documents but this may be subject to payment of a charge and/or other conditions. These conditions may include:
- a) providing us with reasonable evidence of the loss or theft;
 - b) notifying, and co-operating with, the police; and/or
 - c) signing any form of indemnity that we may reasonably require.
- 14.3. We can suspend or limit online or mobile access to your Account, or suspend or cancel use of a passbook, where:
- a) we have been informed that your security details or passbook have been lost, stolen or compromised;
 - b) we believe (or have been informed) that someone has accessed your Account without authorisation;
 - c) we have concerns about the security of your information and/or our systems; or
 - d) we are obliged to do so as a result of our legal or regulatory obligations.
- 14.4. Where we suspend or limit online or mobile access to your Account, or suspend or cancel use of a passbook:
- a) we will attempt to inform you in advance and we will explain our reasons for doing so. If we cannot inform you in advance, we will inform you as soon as possible afterwards. However, we are not obliged to inform you where doing so would compromise our reasonable security measures or would be unlawful; and
 - b) we will restore online or mobile access to your Account, issue new security details to you in order to access your Account, or issue a replacement passbook, as soon as possible after the reason for us suspending, cancelling or limiting access or use has ceased.

15. Mistakes and delays in making payments

- 15.1. If we fail to process a payment transaction, fail to process it on time, or process it incorrectly, then we will be liable to you as set out in Condition 15.2. However, we will not be liable to you in any of the following situations:
- a) where you did not give us the correct payment details, as set out in Condition 7.20. It is your responsibility to make sure that they are correct. If you provide us with the incorrect payment details we will not be liable if the transaction is not carried out or is incorrectly carried out. In this case, we will make reasonable efforts to recover any money that has been sent incorrectly, but we may charge you any costs we reasonably incur in trying to do this. Where we are unable to recover the payment for you, if you write to us we will provide you with all the available and relevant information we have and which we can lawfully provide to you so that you can make a claim for repayment;
 - b) where you fail to notify us when you become aware of the mistake, failure or delay without undue delay and in any event within 13 months after the transaction was incorrectly carried out or was due to have been carried out;
 - c) where we can show that the payee's bank or building society received the correct payment and payee's details on time;
 - d) where we had reasonable grounds to delay processing your instructions under Condition 8; or
 - e) where it was not possible for us to process your instruction due to circumstances beyond our reasonable control, as explained in Condition 23.
- 15.2. If we are liable for any losses due to a mistake or delay by us in carrying out your instructions to make or stop a payment, our liability will be limited to:
- a) the amount of such payment; and
 - b) the amount of any interest you do not receive, or any interest and charges you have to pay directly as a result of such delay or error.
- We will refund the amount of your loss arising from the mistake or delay without undue delay.

16. Closing an Account

- 16.1. You can close an Account at any time, subject to any Special Conditions that apply and to normal administration requirements.

- 16.2. From the date of Account opening, or (if later) the date you receive these Conditions and the Special Conditions on paper or electronically, you have 14 days to notify us (in writing) if you are not happy with your choice of Account. Within that period we will, if instructed by you, refund your savings with interest from Account opening, or subject to eligibility, transfer the investment to another Account of your choice without applying any fees, costs or other charges associated with early withdrawal which would otherwise be due.
- 16.3. We can close your Account at any time without giving any reason, but (unless exceptional circumstances apply):
- a) we will give you at least two months' notice;
 - b) we will not use this right to repay a fixed term investment before the end of the fixed term; and
 - c) we will not use this right to close your Account, or threaten to do so, as a response to a valid complaint that you have made.
- 16.4. Examples of exceptional circumstances, which allow us to close your Account immediately, include:
- a) you have deliberately given us any false information in relation to your Account, and the effect of this is that we would not have opened your Account if we had known the true facts;
 - b) you do not comply with any of your obligations under the Agreement, and do not put this right within a reasonable time of our asking you to do so;
 - c) you threaten or are abusive towards our staff;
 - d) we are informed that you are subject to a bankruptcy, liquidation, receivership or administration order, or some other order relating to your bankruptcy or insolvency, or you have entered into a voluntary agreement with your creditors;
 - e) we reasonably suspect that the Account is being used for an illegal purpose;
 - f) our Agreement with you is void or unenforceable at law; or
 - g) we have a legal or regulatory obligation to close the Account.
- 16.5. If we close the Account, we will pay interest at the agreed rate up to and including the date of closure of the Account.
- 16.6. If we make repayment to you and close the Account in full, then you will have no further right or interest in the Account.
- 16.7. In the event of a sole Account holder's death, we will require a copy of the death certificate together with proof of your personal representatives' authority and identity before an Account can be closed.

17. Statements

- 17.1. Where an Account does not include online access, we will send you a Statement of Account regularly, unless:
- a) the special Conditions for a particular Account specify otherwise; or
 - b) there have been no transactions on the Account (other than the crediting or payment of interest) during the period since the last statement was sent; or
 - c) the Account is a passbook Account.
- 17.2. You should check all statements carefully. If there is an entry which seems to be wrong, you should tell us as soon as possible.
- 17.3. Where the Account does allow for online access, we will not send statements to you. You will be able to access the Account online and view statements at any time, which will include details of interest paid.
- 17.4. Whenever you make a payment out of your Account, except for a payment of accrued interest or a payment by cheque, we will send you a payment notification containing details of the payment within 30 days of that payment. Information about payments (of any kind) into or out of your Account is also available on request at any time.
- 17.5. If we issue a statement or payment notification to you then it will contain the following information on Automated Payments:
- a) the payment amount;
 - b) the amount of any charges and, where applicable, a breakdown of those charges or interest payable by you;
 - c) the date on which the payment was debited from, or added to, your Account.

- 17.6. Where your Account does not include online access, we will send you annually a Statement of Interest if you have an account balance of more than £500 at the end of the period to which the statement relates or if you request a Statement of Interest from us.

18. Joint Accounts, multiple signatories and trusts

- 18.1. Unless the Special Conditions for a particular Account specify otherwise, Accounts can be opened in the names of two or more people (up to a maximum of four). Although joint Accounts can be convenient, it is very important that you understand the consequences of having an Account in more than one name. Further details are set out below and in the leaflet 'You and your joint account'. A copy of this is available on request.
- 18.2. If an Account is held in more than one person's name, then only the holder whose name appears first in our records will be entitled to membership rights (such as the right to receive notices of, and to attend and vote at, meetings). This is subject to any rights given to other holders by any legislation.
- 18.3. Any correspondence relating to the Account will be sent to the address or email address of the first-named Account Holder, unless you instruct us otherwise.
- 18.4. You can choose the order in which the names appear in our records. Any change in the order will happen when our records are actually changed. We will make the change within a reasonable time after you tell us about it.
- 18.5. For tax purposes, we will treat joint Account Holders as being entitled to the money in the Account in equal proportions. This does not affect the operation of Condition 18.6 which takes precedence.
- 18.6. Where one Account Holder dies, we will, on receipt of satisfactory evidence of the death, treat the surviving holder(s) as being entitled to the Account. We do not accept Accounts on any other basis. The other terms of the Account will remain unchanged. Under the Rules, joint Accounts cannot be held by the Holders as tenants in common.
- 18.7. For transactions carried out in branch or by post we will accept instructions from all Account holders authorising us to accept signing instructions from any one Account holder, or (if there are more than two holders) any combination of them or all Account Holders. Signing instructions will allow those named to operate the Account. Changes to signing instructions or changes that would be detrimental to other Account Holders will require all Account Holders to sign.
- 18.8. Any authorisation given by an Account Holder under Condition 18.7 can be stopped by that Account holder by giving us notice. However, we will need three days' written notice to put this into effect.
- 18.9. If we have reason to think that there is a dispute between Account Holders we may (but will not be obliged to) require the signatures of all Account Holders, despite any authorisation that has been given to us previously under Condition 18.7.
- 18.10. If there is a relationship between the Account holders which ceases, you will need to inform us if the Account is to be closed or you want any name to be removed from the Account. If you do not inform us then, even if we know about the relationship breakdown, we will continue to operate the Account in accordance with the instructions that you have given us.
- 18.11. The liability of joint Account Holders is joint and several. This means that each of you is separately responsible to us for the performance of all the obligations of the Account holders, and not just a share of them.
- 18.12. Except as may be required by law, we do not have to (and we will not have any liability for failing to) recognise the interest or claim of any person other than the Account Holder(s) in respect of any money held in the Account.
- 18.13. Unless the Special Conditions for a particular Account, specify otherwise, Accounts can be opened with two or more (up to a maximum of four) people nominated as Signatories.
- 18.14. Details of Signatories and how many of them must act together to operate the Account will be detailed in the Signing Instructions. The Signing Instructions can be changed from time to time provided that all Account Holders agree and we receive newly amended Signing Instructions signed by all Signatories. When an individual is added as a Signatory under this Condition 18.2 you will need to give us identity documents relating to the new Account Holder that meet our reasonable satisfaction. We are entitled to rely upon the Signing Instructions given to us from time to time.
- 18.15. If we have reason to think that there is a dispute between Signatories we may (but will not be obliged to) require the signatures of all Signatories, despite any signing instructions we may have.

- 18.16. Should any Signatories become medically incapacitated (physically or mentally), die, or become unsuitable to hold the position of Signatory, we reserve the right to not act on that person's instructions. We will accept the authority of any remaining Signatories at our discretion.
- 18.17. Except as may be required by law, we do not have to (and will not have any liability for failing to) recognise the interest or claim of any person other than the Account Holder in respect of any money held in the Account.

19. Transfers

- 19.1. You must not assign any of your rights under the Account or grant any charge over money held in your Account.

20. Unclaimed balances

- 20.1. We may close the Account if:
- a) you cannot be traced after reasonable enquiry; and
 - b) for a period of 15 years no money is paid into, or withdrawn from, the Account.
- 20.2. If you contact us at a later date and provide us with satisfactory proof of your identity, we will re-open the Account and credit it with the amount we owe you in respect of the Account (which will be equal to the balance that was in the Account when we closed it, after adjusting it for the interest we would have paid and for any fees or charges we would have deducted if the Account had remained open).
- 20.3. The Cambridge's rights and obligations under this Condition 20 are subject to any rules, regulations or law in force from time to time.

21. Changing the terms and conditions of the Agreement (other than interest rates and charges)

- 21.1. We may vary the terms of the Agreement (other than in respect of changes to interest rates or Account charges) at any time if the change is to your advantage, or for any of the following reasons:
- a) to respond, in a proportionate manner, to changes in the products or services we provide or the way we provide these; and/or
 - b) to respond, in a proportionate manner, to changes in the law or interpretation of the law, decisions or recommendations of an Ombudsman, regulator or similar person, or any code of practice with which we intend to comply; and/or
 - c) to enable us to harmonise, in a reasonable manner, and having regard to the interests of all of our investors, the terms and conditions of your Account following any acquisition or transfer of savings accounts or any takeover of, or merger with, another deposit taker or savings provider, provided that such harmonisation will not be to your detriment.
- 21.2. Where we change the terms and conditions which deal with the way cash or electronic payments (but not cheque payments) can be made into or out of your Account, we will send you at least two months' notice by letter, email or other personal notice before the change comes into effect. At any time up to the date the change comes into effect, you have the right to switch the Account or close it without having to lose any interest or pay any additional charges. If you do not notify us that you object to a change before the date on which it comes into effect, you will be deemed to have accepted it.
- 21.3. In all other cases, we can make changes as follows:
- a) if a change is not to your disadvantage we may implement it immediately and without prior notice. We will tell you about the change on our website and will make details available through our branches and our Customer Contact Centre within 30 days of the change; and
 - b) if a change is to your disadvantage we will give you individual notice in writing at the last address known to us at least 30 days before the change is to take effect or by email if you have an online account (except if that length of notice is not possible, such as where the change is needed to comply with a legal requirement). You will then have a period of 60 days from the date of the notification during which you can close or switch your Account without notice or loss of interest and without paying any Account charges for withdrawal which would otherwise be due.
- 21.4. If we have made a major change or a lot of minor changes in any one year, we will give you a copy of the new terms and conditions or a summary of the changes and tell you where you can find a full copy.

22. Notices

- 22.1. It is your responsibility to promptly notify us of any change in your postal or email address.
- 22.2. When we send you any letter, email or other personal notice we will assume it has been received by you 72 hours after it has been sent. Notices will be sent to the last known postal or email address on our records.
- 22.3. Where the terms of the Agreement allow for notice to be given via our website, it is your responsibility to regularly review the website.
- 22.4. If an error is made in a notice, but this is corrected shortly afterwards by a subsequent notice, the notice period will run from the date of the revised notice.

23. Matters beyond our control

- 23.1. We will not be liable to you if we are unable to provide any service in connection with your Account, or for any act or omission on our part in providing any such service, as a result of:
- a) abnormal and unforeseeable circumstances beyond our reasonable control, the consequences of which would have been unavoidable despite all efforts to the contrary (such as strikes, power failures or internet outages); or
 - b) our having to comply with any legal or regulatory requirement.

24. Set-off

- 24.1. We may use the money in an Account towards payment of any money that you/account holder owes us (for example, under a mortgage) which is due for payment but which has not been paid. This is known as our right of set-off.
- 24.2. We can use our right of set-off when an Account is in a sole name as well as joint accounts held with another person. We can use money in an account held by you to set off against debts owed by you jointly with other people.
- 24.3. If we propose to use our right of set-off in relation to an Account we will contact you at least 14 days beforehand to tell you this. During this notice period we will not allow any transactions in respect of the money in an Account. Where we seek to use money held in a joint Account, we will inform all Account Holders of our intentions and not permit any transactions in respect of that Account by any Account Holder.
- 24.4. Once we have used a right of set-off, that money will stop being yours and you will stop receiving interest or any right to a bonus on it. If you are holding money in your Account belonging to a person who is not an Account Holder you must inform us of this otherwise we will treat all money as belonging to the Account Holders.
- 24.5. We will exercise our right of set-off in a manner which refrains from setting off any debt due against sums which are needed by an Account Holder to meet essential living expenses or priority debts.
- 24.6. We can use our right of set-off, when the Account is in a sole name (i.e. as a Sole Proprietor) as well as Accounts held jointly with another person (for example a partnership Account). We can use money in an Account held by an Account Holder to set off against debts owed by the Account Holder jointly with other people.
- 24.7. If we propose to use our right of set-off in relation to the Account we will contact the Account Holder at least 14 days beforehand to tell the Account Holder this. During this notice period we will not allow any transactions in respect of the money in the Account. Where we seek to use money held in a joint Account (for example a Partnership Account), we will inform all Account Holders of our intentions and not permit any transactions in respect of that Account by any Account Holder.
- 24.8. Once we have used a right of set-off, that money will stop being the Account Holder's and the Account Holder will stop receiving interest or any right to a bonus on it. If the Account Holder is holding money in the Account belonging to a person who is not an Account Holder you must inform us of this otherwise we will treat all money as belonging to the Account Holder.
- 24.9. We will exercise our right of set-off in a manner which refrains from setting off any debt due against sums which are needed by an Account Holder to meet essential living expenses or priority debts.
